REMARKS

Reconsideration of the application as amended is requested.

Applicants note with appreciation the Examiner's indication that all pending claims contain allowable subject matter.

In the Office Action dated November 2, 2004, claims 12, 13 and 18-21 were rejected under 35 U.S.C. §112 (second paragraph) as being indefinite.

Claim 12 has been amended to recite that the output bracket is movable relative to the base, and "movement" has been substituted for "the travel". These amendments are believed to correct the antecedent basis matter noted by the Examiner without changing the scope of the claim.

Claim 18 has also been amended to correct the antecedent basis matter noted by the Examiner.

The application is now believed to be in condition for allowance, and a notice to this effect is earnestly solicited. In the event there are any remaining informalities, the courtesy of a telephone call to the undersigned attorney would be appreciated.

Respectfully submitted,

LARRY (NMI) DEKRAKER ET AL.
